

Green California Schools and Higher Education

November 13, 2025 - Pasadena Conference Center

Summit & Expo

Join us at the Pasadena Conference Center and be part of the community leading California's education sector toward a greener future.

Hear from experts in design, construction, environmental literacy, updates to CALGreen regulations, outdoor learning, maintenance, and operations as they share real-world solutions to sustainability challenges facing schools and campuses statewide. Discover how California is shaping a more sustainable, environmentally literate, and healthier education system.

Network with peers and explore the expo, where featured companies showcase innovations supporting the state's ambitious sustainability goals.

Celebrate outstanding leadership at the Leadership Awards Mixer, recognizing this year's awardees across multiple categories.

Pricing:

By October 1, 2025: \$250

After October 1, 2025: \$295

Keynote/Opening Session, Leadership Awards & Exhibit Only Pass: FREE
(Education sessions and lunch, not included with free pass.)
